1,000 Books Before Kindergarten is a program that fosters a life-long love of reading and monitors the number of books a child reads before kindergarten. Parents use a reading log to record 100 books read to their child at a time. When 1,000 books have been read, the child gets to pick a book to add to the library's collection, including a bookplate with the child's name on it, and they are also invited to attend the annual graduation party held every September.
